

# 2025-2026 – Dress Code

## SURRENDERED SCHOOL OF DANCE — CLASS UNIFORMS

**Note:** This appendix is a continuation of the Dress Code policy introduced in **Section 5.4** of the Student Handbook. Please refer to Section 5.4 for additional context and guidelines. This appendix provides specific item requirements by level and is updated as needed.

**Please be advised:** This Dress Code guide may be updated throughout the year based on product availability.

If you are having difficulty locating the required items, please reach out to our office staff—we're happy to help! If you discover that an item is no longer available, we appreciate you letting us know so we can make necessary updates.

**Where to Purchase:** We recommend making your purchases through: [www.DiscountDance.com](http://www.DiscountDance.com) This vendor consistently offers competitive prices on dancewear and carries the appropriate colors for each level.

Please help support the school by using **Teacher Code: 34978** at checkout. First-time customers will receive a 10% discount when using this code.

**Hair Guidelines:** All students are expected to arrive with their hair styled appropriately for ballet class.

- Female students with long hair should wear their hair secured in a proper ballet bun for each class. Students with short hair must keep their hair neatly pulled back and away from the face.  
[Click here to learn how to make a ballet bun.](#)
- Male students should have short hair or keep longer hair neatly tied-back.

**Alternate Tight and Shoe Shades\*:** While pink tights and ballet shoes are traditional, we want each of our dancers to celebrate the unique beauty with which God created them. If your student would feel more comfortable wearing tights and shoes that better match their skin tone, we would love for them to make an appropriate selection. Please ensure that the selected items are appropriate for class and consistent in color.
